12% Commission Payable until 31<sup>st</sup>  
December 2010\*

The feedback we have received from most agents is that long term promotional offers are far more appealing than short term one's that are over before you know it.

We are therefore pleased to announce we are offering a 12% commission level on all meeting bookings that take place prior to the 31<sup>st</sup> December 2010.

And the good news is that there are no complicated terms and conditions. The 12% commission applies to all day meetings, 24-hour rates, room hire and accommodation linked to meetings.

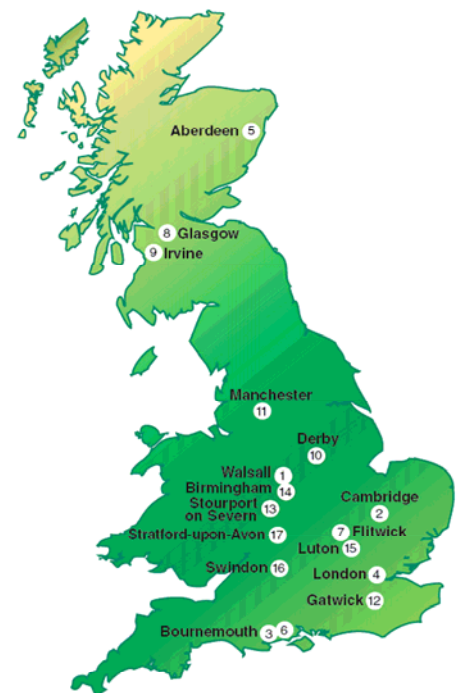

Menzies Hotels owns a unique portfolio of 17 distinctive hotels located throughout England and Scotland.
