*Space for every
business event*

Whatever type of business event you're planning, our conference centre with a separate entrance, can comfortably accommodate your requirements.

We have 12 air-conditioned meeting suites ranging from executive style boardrooms to a suite seating up to 200 delegates for larger corporate functions. In addition, our range of private dining facilities offer you the flexibility to cater for any number of guests and differing culinary tastes.

To complement the superb facilities on offer, our Premier Meetings package will take care of every detail to ensure that your event experience is as exceptional as the environment.

“All business operations can be reduced to three words: people, product and profits. Unless you've got a good team, you can't do much with the other two.”

Lee Lacocca
